

Comitê de Estatística  
8.<sup>a</sup> reunião  
4 março 2015  
Londres, Reino Unido

**Cumprimento da exigência de fornecer  
dados estatísticos  
Anos cafeeiros de 2007/08 a 2013/14 e  
outubro a dezembro de 2014**

### **Antecedentes**

1. Este documento contém informações sobre o cumprimento pelos Membros da exigência de fornecer dados estatísticos nos termos do Regulamento de Estatística – Certificados de Origem (documento [ICC-102-9](#)) e do Regulamento de Estatística – Relatórios Estatísticos (documento [ICC-102-10](#)), ambos aprovados pelo Conselho.
2. As informações cobrem cada ano cafeeiro de 2007/08 a 2013/14 e de outubro a dezembro de 2014. Notar que elas não incluem todos os dados cuja apresentação o novo Regulamento de Estatística exige, pois os Membros ainda estão se ajustando às novas exigências.
3. O Anexo 10 mostra o cumprimento, pelos Membros exportadores, da exigência de fornecer dados estatísticos tempestivamente, com base em seus relatórios mensais e/ou Certificados de Origem, no ano cafeeiro de 2013/14. O Anexo 11 mostra o desempenho dos Membros importadores nos anos cafeeiros de 2010/11 a 2013/14.

### **Ação**

Solicita-se ao Comitê de Estatística que examine a situação do cumprimento por cada Membro da Organização, para fazer as recomendações apropriadas ao Conselho.

**CUMPRIMENTO DA EXIGÊNCIA DE FORNECER DADOS ESTATÍSTICOS  
ANOS CAFFEEIROS DE 2007/08 A 2013/14 E  
OUTUBRO A DEZEMBRO DE 2014**

**Fornecimento de dados estatísticos pelos Membros exportadores**

- *Dados preliminares sobre exportações mensais (Anexo 1)*

1. Os Membros exportadores devem enviar à Organização, o mais tardar até **30 dias** após o término de cada mês, informações sobre o volume total de suas exportações no mês precedente. Quando não dispõem de dados finais, eles podem fornecer dados provisórios ou estimativas (ver alínea “a” do parágrafo 3 do Regulamento de Estatística – Relatórios Estatísticos, documento [ICC-102-10](#)).

- *Relatórios mensais de exportação (Anexo 2)*

2. Os Membros exportadores devem enviar à Organização, o mais tardar até **60 dias** após o término de cada mês, informações sobre o volume e o valor de suas exportações por forma de café e por país de destino no mês a que o relatório se refere. Essas informações devem se basear nos Certificados de Origem pertinentes emitidos para amparar o café embarcado no período do relatório e ser apresentadas no formato especificado no Anexo I-B do Relatório de Estatística – Relatórios Estatísticos, documento [ICC-102-10](#).

- *Certificados de Origem (Anexo 3)*

3. Os Membros exportadores devem transmitir os dados à Organização em arquivos eletrônicos ou enviar a ela a segunda via de cada Certificado de Origem, acompanhada de uma cópia do conhecimento de carga (BL) pertinente (ver parágrafo 5 do artigo 4 do Regulamento de Estatística – Certificados de Origem, documento [ICC-102-9](#)). No ano cafeeiro de 2013/14, os dados referentes a 65,6% das exportações mundiais se basearam nas informações recebidas nos Certificados de Origem<sup>1</sup>. Dos 123.681 registros<sup>2</sup> relativos ao período de outubro de 2013 a setembro de 2014 armazenados no banco de dados da OIC, 122.838 (99,3% do total) foram recebidos eletronicamente, e os restantes 843 registros (0,7% do total) foram digitados.

---

<sup>1</sup> Acredita-se que os dados recebidos de alguns Membros exportadores sejam parciais.

<sup>2</sup> Incluindo 554 registros de ex-Membros da OIC.

4. As atuais normas de estatística entraram em vigor simultaneamente com o Acordo de 2007, introduzindo algumas mudanças a serem observadas pelos Membros. Os Membros exportadores que encontrem dificuldades para implementá-las devem contatar a Organização e solicitar ajuda. O volume das exportações dos Membros exportadores dos quais a Organização não recebeu nenhum Certificado de Origem representa 34,4% do total exportado no ano cafeeiro de 2013/14. Nos termos do disposto no parágrafo 4 do Artigo 33 do Acordo de 2007, os Membros exportadores que optarem pela emissão de um documento alternativo devem fornecer dados eletrônicos ou o documento equivalente que emitam em substituição ao Certificado de Origem da OIC.

- *Dados mensais sobre preços pagos aos cafeicultores (Anexo 4)*

5. Os Membros exportadores devem enviar mensalmente à Organização informações sobre o preço médio recebido pelos cafeicultores por seu produto ou, se houver, sobre o preço mínimo garantido pelo Governo aos cafeicultores (ver alínea “a” do parágrafo 1 do Regulamento de Estatística – Relatórios Estatísticos, documento [ICC-102-10](#)).

- *Dados anuais sobre estoques iniciais, produção e consumo interno (Anexo 5)*

6. Os Membros exportadores devem enviar à Organização, estimativas de sua produção e de seu consumo interno nos anos-safra corrente e seguinte, e de seus estoques finais no término de cada ano-safra (ver alíneas “b” e “c” do parágrafo 1 do Regulamento de Estatística – Relatórios Estatísticos, documento [ICC-102-10](#)). Os Membros exportadores que estejam produzindo/exportando mais de um tipo de café ou usando diferentes métodos de processamento (via seca e via úmida) também devem indicar, em porcentagens, o tipo e método de processamento. Informações sobre a distribuição percentual da safra por trimestre, a área do parque cafeeiro e o número de cafeeiros devem também ser enviadas à Organização anualmente (ver alínea “c” do parágrafo 1 do documento [ICC-102-10](#)).

- *Relatório sobre importações (desde fevereiro de 2012)*

7. Os Membros exportadores devem enviar **mensalmente** à Organização dados relativos ao volume e ao valor de suas importações de café, se houver, por forma (e tipo, se for o caso) e por país de origem. Esses dados podem ser fornecidos de acordo com os códigos pertinentes do Sistema Harmonizado (SH), por produto. Quando não houver dados mensais disponíveis, dados anuais devem ser fornecidos dentro de **60 dias** após o final de cada ano civil (ver alínea “a” do parágrafo 1 do Regulamento de Estatística – Relatórios Estatísticos, documento [ICC-102-10](#)).

- *Preços de varejo mensais (desde fevereiro de 2012)*

8. Os Membros exportadores devem enviar à Organização dados sobre preços de varejo que representem o mercado de café torrado e/ou solúvel no mês que é objeto do relatório (ver alínea “a” do parágrafo 1 do documento [ICC-102-10](#)).

- *Parque cafeeiro (desde fevereiro de 2012)*

9. Os Membros exportadores devem enviar anualmente à Organização informações sobre seu parque cafeeiro – número de cafeeiros em produção com a respectiva área, e número de novos cafeeiros que ainda não entraram em produção (ver alínea “c” do parágrafo 1 do documento [ICC-102-10](#)).

10. Notar que, desde que o Regulamento entrou em vigor em fevereiro de 2012, muito poucos Membros exportadores cumpriram as exigências delineadas nos parágrafos 7 a 9 acima.

#### **Fornecimento de dados estatísticos pelos Membros importadores**

- *Relatórios mensais sobre importações e reexportações (Anexo 6)*

11. O mais tardar até **60 dias** após o término de cada mês, os Membros importadores devem enviar à Organização relatórios completos, por e-mail ou fax, com informações sobre o volume e o valor de suas importações, por forma de café e por país de origem, e sobre o volume e o valor de suas reexportações, por forma de café e por país de destino, no mês a que o relatório se refere (ver alínea “c” do parágrafo 3 do documento [ICC-102-10](#)). Estatísticas do Eurostat são usadas para cobrir a União Europeia desde janeiro de 2014.

- *Preços de varejo mensais (Anexo 7)*

12. Os Membros importadores devem enviar à Organização dados sobre preços de varejo que representem o mercado de café torrado e/ou solúvel no mês que é objeto do relatório (ver alínea “a” do parágrafo 2 do documento [ICC-102-10](#)).

13. Diversos Membros importadores recentemente informaram à Organização que estão impossibilitados de cumprir a exigência de fornecer dados sobre preços de varejo. As razões são que as informações de que se trata são consideradas confidenciais ou que a série fornecida não reflete as compras dos consumidores.

Atual situação dos preços de varejo

Problema resolvido	Dados deixaram de ser fornecidos	Dados não são coletados (notificação do Membro)	Dados indisponíveis
Chipre Alemanha Suécia	Bélgica Noruega*	Croácia Estônia Suíça	Grécia Irlanda Romênia Tunísia

\*A Noruega estará fornecendo dados sobre preços de varejo logo que possível

Os demais Membros importadores fornecem informações regularmente.

- *Informações sobre torrefações (Anexo 8)*

14. Os Membros importadores, no final de cada trimestre/ano civil, devem enviar à Organização, quando disponíveis, informações sobre a quantidade de café verde que foi torrado durante o trimestre/ano civil (ver alínea “b” do parágrafo 2 do documento [ICC-102-10](#)).

- *Informações sobre estoques nos países importadores (Anexo 9)*

15. Os Membros importadores devem enviar à Organização, quando disponíveis, informações sobre os estoques de café verde em poder de importadores e torrefadores no último dia do trimestre/ano civil (ver alínea “b” do parágrafo 2 do documento [ICC-102-10](#)).

- *Informações sobre alterações da tributação e da legislação relativas às exportações e importações de café do país*

16. **Todos os Membros** devem enviar à Organização informações sobre alterações ou revisões dos níveis atuais da tributação incidente sobre as exportações/importações ou da atual legislação aplicável às exportações/importações de café de seus países (ver alínea “d” do parágrafo 1 e alínea “c” do parágrafo 2 do documento [ICC-102-10](#)).

### **Cumprimento da Resolução 420**

17. Na sequência da adoção da Resolução 420 pelo Conselho em maio de 2004, o cumprimento das disposições da mesma tem sido solicitado aos Membros exportadores. Como, porém, esse cumprimento é voluntário, vem-se monitorando as informações sobre qualidade recebidas dos Membros exportadores pelos embarques de café realizados, desde que a Resolução entrou em vigor. O documento [SC-49/15](#) contém o último relatório sobre a implementação do Programa de Melhoria da Qualidade do Café.

### **Quadros sumários e conclusões (Anexos 10, 11 e 12)**

18. O Anexo 10 mostra o cumprimento da obrigação de fornecer dados estatísticos no ano cafeeiro de 2013/14 pelos Membros exportadores. Dos atuais 40 Membros do Acordo de 2007, apenas 5 (representando 51,4%) cumpriram integralmente e 8 (representando 6,4%) cumpriram satisfatoriamente a obrigação. O cumprimento por outros 9 países (11,3%) foi parcial. O Anexo 11 mostra o cumprimento integral por 32 Membros importadores, que responderam por 99,6% da média anual das importações de todos os Membros importadores nos quatro anos cafeeiros de 2010/11 a 2013/14.

19. Há 15 Membros exportadores que absolutamente não cumpriram sua obrigação de fornecer dados estatísticos. No total, as exportações desses Membros representam 20,7% da média das exportações nos últimos quatro anos cafeeiros. Outros 3 Membros exportadores, que conjuntamente responderam 9,6% das exportações do período, também cumpriram insatisfatoriamente a obrigação. Finalmente, as exportações de 9 países produtores que eram Membros do Convênio Internacional do Café de 2001 mas não participam do Acordo de 2007, representaram 0,6% da média dos totais exportados nos quatro últimos anos civis.

20. Do lado importador, a Tunísia continua a ser o único Membro que ainda não começou a cumprir as exigências estatísticas da Organização. No entanto, dados anuais sobre seu comércio de café até o ano civil de 2013 foram fornecidos. Esforços continuarão a ser envidados para obter os relatórios pertinentes numa base mensal.

21. O fornecimento tempestivo de estimativas da produção e do consumo interno pela maioria dos países produtores continua insatisfatório, especialmente em relação aos seis últimos anos-safra. Os Membros exportadores devem estar conscientes de que as informações estatísticas são essenciais para a confiabilidade dos relatórios e a precisão da análise da oferta e da demanda publicados pela Organização.

22. Os Membros exportadores e importadores devem manter a Organização informada de possíveis alterações dos níveis atuais de tributação aplicável a suas importações e exportações de café e da legislação em vigor em seus países.

23. O Anexo 12 mostra a situação do cumprimento pelos Membros exportadores da obrigação de fornecer as novas informações estatísticas exigidas em virtude da entrada em vigor do Acordo de 2007.

24. O Regulamento de Estatística – Certificados de Origem (documento [ICC-102-9](#)) e o Regulamento de Estatística – Relatórios Estatísticos (documento [ICC-102-10](#)) já estão em vigor há quatro anos. Os Membros que encontrem dificuldades para implementá-los são convidados a contatar o Diretor-Executivo em busca de uma solução sobre como preparar relatórios e dados tempestivos para atender às exigências especificadas.
