

INTERNATIONAL
COFFEE
ORGANIZATION

Award

In recognition of his contribution to
the work of the International Coffee Organization (ICO)
and the sustainability of the coffee sector
presented to

Mr Juan Esteban Orduz

In recognition of his long-lasting and outstanding association with the ICO as delegate and permanent representative of Colombia, as Chair, Vice-Chair and Member of ICO committees and working groups, and Sherpa of the Coffee Public-Private Task Force.

We wish to convey our profound appreciation for Mr Orduz's invaluable contribution to the work of the ICO, to the sustainability of the coffee sector, as well as to reaching the consensus for the approval of the International Coffee Agreement 2022 in June last year.

His hard work and commitment have not only impacted the industry, but also inspired those around him: we have all benefitted from his experience, knowledge, and commitment towards the economic, social and environmental sustainability of the coffee sector.

Thank you for your outstanding work and continued dedication; the coffee sector is a better place because of your involvement.
