Wolfgang Weinmann

In recognition of his role as Coordinator of the CPPTF, we express our appreciation for Wolfgang's exceptional work and leadership.

Wolfgang joined our team three years ago, bringing with him not only a wealth of knowledge and skills, but also a warm and welcoming spirit. One of his finest qualities is his ability to bring people together, fostering collaboration and creating a sense of unity with a wide range of stakeholders. His dedication, professionalism, and unwavering commitment will leave an indelible mark on both the Organization and the Task Force.

Since its inception, the Task Force has achieved remarkable milestones. Wolfgang's dedication, vision, and tireless efforts have been instrumental in driving positive change, bridging public and private interests for the greater good of the sector.

While his departure marks the end of an era, it also signifies the beginning of new opportunities. We have no doubt that his expertise and passion will continue to make a difference in his future endeavours in Indonesia.
