Corrigendum

New Auditor

RESTRICTED

Changes in this corrigendum have been highlighted in red.

Paragraph 1

1. As presented at the 58th meeting of the Finance and Administration Committee held on 16 June 2023, the Secretariat wished to ascertain if the Members would consider changing auditing firm. This follows the best practice established by many companies and governments to change auditor periodically so that new audit professionals may examine financial data, information and procedures from an alternative viewpoint and with new approaches.
