

Introduction

Disclaimer: Thank you for taking the time to participate in this process. The purpose of this survey is to gather information about the implementation of the European Union Deforestation-free Product Regulation (EUDR). The ICO will use this information to share key technical questions with the relevant European Union authorities.

Confidentiality: Information will be treated as confidential and processed in an aggregated manner, with the aim of preparing a report to seek clarifications and support from the European Commission for the implementation of the EUDR.

Instructions:

To start the survey, please click 'Next' below.

You may stop and resume the survey at any time before submitting, provided that you use the same device. You may also revise the answers already provided as many times as you like until you submit the survey. Should you wish to discard the answers on a given page, please click 'Exit'.

Kindly note that it is one survey per focal point and you may not amend your answers once you have submitted them.

DEADLINE TO FILL IN THE SURVEY: 27/11/2023

Part A - Participant information

* 1. Name of the respondent

* 2. Name of the organization

* 3. Role/position in the organization

* 4. Email address

* 5. What country are you entering information for?/Where are the headquarters of your organization based?

* 6. Please mark which group you represent

Part B - EUDR awareness

* 7. Overall, what is your level of knowledge regarding the EU Deforestation-free product Regulation (EUDR)?

None	Basic understanding	Good understanding	Full understanding
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 8. What is your level of knowledge of the following requirements of the EUDR?

	None	Basic understanding	Good understanding	Full understanding
Deforestation-free	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Legality*	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 9. Are you aware of the date of the Regulation's entry into force?

- Yes
 No

10. If yes, please indicate the date below

Entry into force of the EUDR

Date

* 11. Are you aware of the cut-off date for assessment regarding deforestation and forest degradation (in general, not only related to coffee plots)?

- Yes
 No

12. If yes, please indicate the date below

Cut-off date for assessment regarding deforestation and forest degradation

Date

* 13. Are you aware of the date from which your exports/imports into the European Union must be compliant with the EUDR requirements?

- Yes
- No

14. If yes, please indicate the date below

Date from which your exports/imports into the European Union must be compliant with the EUDR requirements?

Date

 

* 15. Are you aware that the due diligence process to prove compliance with the EUDR is going to be based on the level of risk of deforestation of each producing country as benchmarked by the European Commission: 1) Low; 2) Standard 3) High risk ?

- No, I was not aware
- Yes, I am aware
- Yes, I am aware and I am working to identify the level of risk in my exporting country
(Please specify how below)

* 16. From your understanding of the Regulation, who will be the main entity responsible for implementing the processes below?

Verifying compliance (Art. 16)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please provide further comments on the challenges experienced

* 18. Which tools do you think you can use to prove compliance with the Due Diligence requirements as stated in Article 8?

- Certificate of Origin
- Due Diligence template
- Affidavit
- 3rd party certificate
- Self-certification
- I do not know
- Other (please specify)

* 19. Do you have reliable field data to calculate the level and risk of deforestation in your country?

- No
- Yes (please specify)

* 20. Do you have a coffee farmer registration system?

- No
- Yes (please specify the number of farmers registered - whole numbers only)

21. What percentage of your coffee farmers are mapped with geo-location polygons available (%)? *(Please enter a number between 0 and 100)*

* 22. Do you have a traceability system for the coffee sector?

- No
- Working on it
- Yes

Please provide further information

* 23. Who will be responsible for managing data and its ownership to prove exported coffee is compliant with the EUDR?

- Government
- Local private sector institutions
- Local public sector institution
- Service provider
- International private sector
- Other (please specify)

* 24. What are the main constraints regarding the management of EUDR-related data (1 = least important - 7 = most important) ?

	1	2	3	4	5	6	7
Ownership	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Interoperability (standardization and exchange of data)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Buyers have a different traceability (chain of custody) system	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lack of data	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

* 25. Are you familiar with the ICO Certificate of Origin (ICO/CoO)? Do you agree that the ICO/CoO should be revised to include compliance with the EUDR Due Diligence requirement?

- Yes, I am familiar with the ICO/CoO and I agree that it should be revised
- Yes, I am familiar with the ICO/CoO but I do not think that it should be revised
- No, I am not familiar with the ICO/CoO

* 26. Based on your current level of preparedness, when do you think your country/industry/supply chain is likely to be ready to comply with/enforce the EUDR?

- Ready
- In 6 months
- In 14 months (i.e. by the official compliance deadline)
- In 2 years
- In more than 2 years
- Other (please specify)

27. **[For EU Members only]** Have the competent authorities in charge of dealing with the implementation of the EUDR been designated? If so, please specify

- No
- Yes (please specify)

* 28. Please specify when you are likely to be ready to comply with each process. Only choose the processes relevant to your organization.

* 30. Kindly select again which group you represent

**GOVERNMENT/GOVERNMENT INSTITUTION
Implementation preparations & compliance initiatives**

* 31. What is/are the system(s) of coffee production (and proportion) in your country?

Please enter a number (no decimals accepted). The sum of all answers needs to be 100.

Monoculture

Inter-cropping

Agroforestry

(integrating two or more species of trees within coffee farms, creating a microclimate within the plantation)

32. If you selected "agroforestry" as one of the options, please clarify the % of canopy cover.

* 33. Which key national stakeholders have a role to play in the preparations for the implementation of the EUDR in your country?

- Government
- Domestic private sector in your country
- International private sector
- Producer organizations (cooperatives, associations, groups)
- Global industry platforms/multi-stakeholder forums
- Others (please specify below)

Please provide the names and contact details of the stakeholders based on the options selected above

* 34. The EUDR identified the cut-off date for deforestation and forest degradation as 31 December 2020. Since that date, have you implemented any action to prevent deforestation in your country's coffee supply chain? If so, please specify.

- No
- Yes (please specify)

35. **[For producing countries only]** In your opinion, will your country be benchmarked as having a low, standard, or high risk of deforestation by the European Commission?

- Low Risk
- Standard Risk
- High Risk

* 36. Are you taking part in any international initiative aiming to facilitate compliance with the implementation of the EUDR? If so, please specify.

- No
- Yes (please specify)

* 37. Are you able or are you planning to collect and make publicly available any relevant national legislation that forms part of the obligations under Article 2-definition 40?

- No
- Not sure
- Yes (please specify the name(s) of the legislation)

* 38. What kind of technical and financial assistance would you require to comply with the EUDR?

- Geolocation/polygons for farmers
- Traceability/chain of custody systems
- Data management
- Open source digital public infrastructure
- Interoperability for easy data exchange
- Monitoring
- Certification
- Training/capacity building
- Insurance schemes
- Other (please specify below)
