

International Coffee Council
138th Session
12 September 2024
London, United Kingdom

**Distribution of votes for the calculation of
contributions for coffee year 2024/25 in
accordance with the provisions of paragraph
(6) of Article 12 of the International Coffee
Agreement 2007
(Calculated as at 9 September 2024)**

Background

1. This document contains the distribution of votes for the calculation of contributions for coffee year 2024/25, calculated in accordance with the relevant provisions of Article 12 of the 2007 Agreement.
2. In order to permit the Council to take a decision on the distribution of votes for each category of Member in coffee year 2024/25, it is necessary, in accordance with the provisions of paragraphs (3) and (4) of Article 12, to establish the average volume of exports of coffee to all destinations (exporting Members) and of imports of coffee from all sources (importing Members), over the preceding four calendar years from 2020 to 2023. The votes for exporting and importing Members have been calculated on the basis of the statistical data contained in document [ED-2469/24](#).
3. This distribution of votes for the calculation of contributions, as shown in Tables 1 and 2, is based on the membership of the Organization under the International Coffee Agreement 2007 as at 9 September 2024.
4. The redistribution of votes, as shown in Tables 3 and 4, is based on the provisions of [ICC Resolution 470](#), which temporarily suspends Members in persistent arrears.

Action

The Council is requested to approve this document.

NOTES TO TABLES

1. Paragraph 2 of Article 12 of the ICA 2007 states that each Member shall have 5 basic votes.
2. Paragraph 5 of Article 12 states that the EU shall hold votes as a single Member.
3. Paragraph 7 of Article 12 states that the Council shall provide for the redistribution of votes in accordance with the provisions of this Article whenever there is a change in the membership of the Organization or if the voting rights of a Member are suspended or regained under the provisions of Article 21.
4. Paragraph 8 of Article 12 states that no Member shall hold two-thirds or more of the votes in its category.
5. Paragraph 2 of Article 21 states that 'if any Member fails to pay its full contribution to the Administrative Budget within six months of the date on which the contribution is due, its voting rights and its right to participate in meetings of specialized committees shall be suspended until its contribution has been paid in full. However, unless the Council so decides, such Member shall not be deprived of any of its other rights nor relieved of any of its obligations under this Agreement.' As decided by the Council in March 2013 (see document [ICC-110-16](#)), in the case of contributions where there is a small underpayment, the Executive Director should have discretion to ignore these shortfalls when determining votes. The amount of the shortfall is defined as £1,000 or 5% of the Member's contribution, whichever is the greater, provided also that the outstanding contribution will be paid by the Member in the following financial year.
