

**Exclusive invitation: ASEAN
International Coffee Summit,
Singapore, November 2026**

1. The Executive Director wishes to inform Members that the ASEAN International Coffee Summit will take place in Singapore from 4 to 6 November 2026. The event is being co-organized by the ASEAN Coffee Federation (ACF)¹ and the Singapore Coffee Association, and is anchored around the theme “From Origin to Opportunity: Connecting Global Standards, Trade and Knowledge”.
2. The International Coffee Organization (ICO) has been invited to participate as a strategic partner and the Executive Director will deliver a keynote address alongside other leading voices from across the global coffee value chain (see the full list of speakers [here](#)).
3. As part of this strategic partnership, the organizers have offered the ICO 20 complimentary passes for selected guests. The Executive Director is therefore pleased to extend this invitation to ICO Members (see the full programme [here](#)) and places will be allocated on a first-come, first-served basis, with one complimentary pass available per country in principle². Members wishing to request a ticket are kindly invited to contact Ms Sandra Rodrigues at rodrigues@ico.org as soon as possible, given that availability is limited.

¹ Several members of the ACF come from ICO Member countries (see here: <https://aseancoffee.org/our-members/>). Moreover, the ICO's Coffee Public-Private Task Force (CPPTF) has established a cooperation agreement with ACF, in addition to two other regional coffee platforms, to work at scale on critical sector issues, raise awareness and direct the participation of producing countries.

² Please note that the complimentary pass covers admission only. Participants will be responsible for their own travel, accommodation and other related expenses.
