## Procedures for membership of the International Coffee Agreement 2007

1. The Executive Director presents his compliments and wishes to inform Members and observer Governments about procedures for membership of the International Coffee Agreement (ICA) 2007.
2. At its 109<sup>th</sup> Session from 24 to 28 September 2012 the International Coffee Council approved Resolution 449 which provides for Governments to deposit instruments of ratification, acceptance, approval or accession until 30 September 2013.
3. Members of the ICA 2001 and observer Governments are invited to contact the Treaty Sections or Legal Offices of their Ministries of Foreign Affairs and request them to undertake the necessary formalities for membership, which include the following:
  - (a) Signatory Governments (see Section A of Annex II) – ratification, acceptance or approval by **30 September 2013**.
  - (b) Non-Signatory Governments (see Section B of Annex II) – accession no later than **30 September 2013**.

### **Ratification, acceptance or approval**

4. The ICA 2007 requires ratification, acceptance or approval by Governments which have signed it and intend to apply it. Under the provisions of Resolution 449, Members should deposit their instruments of ratification, acceptance or approval with the Depositary by **30 September 2013**. Instruments of ratification, acceptance or approval must be signed by the Head of State, Head of Government, or by the Minister for Foreign Affairs, and deposited with the Depositary. A model instrument, which may be adapted as appropriate, is attached as Annex III. The UN Treaty Section notes that instruments must include:

- Title, date and place of conclusion of treaty
- The type of action should be clearly identified, e.g. ratification, acceptance or approval
- Full name and title of the person signing the instrument (i.e. the Head of State, Head of Government or Minister for Foreign Affairs)
- An unambiguous expression of the intent of the Government to consider itself bound by the treaty and to undertake faithfully to observe and implement its provisions
- Date and place where the instrument was issued
- Signature of the Head of State, Head of Government or Minister for Foreign Affairs (the official seal is not sufficient).

**Steps for ratification, acceptance or approval to the Agreement are as follows:**

- (a) prepare instrument of ratification, acceptance or approval (as applicable) in accordance with model in Annex III;
- (b) instrument is signed by Head of State, Head of Government, or Minister for Foreign Affairs;
- (c) deliver the instrument by hand, mail, fax or scanned copy by email to the ICO;
- (d) if the instrument is faxed or sent as a scanned copy to the ICO, deliver the original instrument to the Organization as soon as possible thereafter;
- (e) the ICO will examine the instrument to ensure it is in due and proper form. The date of deposit will be the date on which the instrument is received at the ICO headquarters; and
- (f) the ICO will notify Members and non-member Governments about this action.

**Accession**

5. Accession is generally used by States wishing to express their consent to be bound by a treaty where the deadline for signature has passed. Under the provisions of Resolution 449, Governments eligible for membership in accordance with Article 43 may accede to the International Coffee Agreement 2007 by depositing an instrument of accession with the Organization no later than **30 September 2013** or such other time as the Council may decide. A model instrument, which may be adapted as appropriate, is attached as Annex III. The criterion for accepting instruments is the same as for instruments of ratification, acceptance or approval (see sub-paragraphs (a) to (f) above).

### **Notification of provisional application**

6. Under the provisions of Article 41 (Provisional application), a signatory Government which intends to ratify, accept or approve the 2007 Agreement may, at any time, notify the Depositary that it will apply the Agreement provisionally in accordance with its legal procedures. Similar wording to that of the model instrument in Annex III, adapted as appropriate, may be used for notifications of provisional application.
