**Draft Agenda**

<b>Item</b>	<b>Document</b>
<b>1. Draft Agenda – to adopt</b>	WP-Statistics No. 101/06 Rev. 1
<b>2. Report of the Statistics Committee on the meeting of 24 May 2006 – to approve</b>	WP-Statistics No. 100/06
<b>3. Compliance with statistical rules – to consider</b>  The Statistician will report on compliance with statistics.	WP-Statistics No. 105/06
<b>4. Technical assistance – to consider</b>  At its last meeting, the Committee suggested that the Executive Director should invite countries in full compliance with the statistical rules to share their experience with countries where compliance is less complete. This information will facilitate the preparation of a framework to identify resources and formulate a strategic approach to technical assistance. The Statistician will report on responses received from Members and options available to address the issue.	verbal
<b>5. Inventories and stocks – to note</b>  The Secretariat will monitor the results of the European Coffee Federation survey on inventories and stocks of green coffee in seven main European ports. Information on stocks received from producing countries will also be reviewed. The Statistician will report.	verbal

- 6. Organic coffee – to note** WP-Statistics No. 104/06
- The Statistician will introduce a document containing updated information on exports of organic coffee, and, if available information on the value of these exports.
- 7. Preparations and concentrates – to consider** WP-Statistics No. 102/06
- The Statistician will introduce a document with information on imports of preparations and concentrates by Norway, Switzerland and the USA under two specific Harmonized System (HS) codes (210.112.92 and 210.112.98). The Committee will consider recommendations on possible adjustments to the current statistical series which include these codes.
- 8. Exports to exporting countries – to analyse and make a recommendation for action** WP-Statistics No. 103/06
- As requested at the last meeting, the Statistician will introduce a report on data on exports of all forms of coffee to exporting Members.
- 9. Future statistical priorities – to consider** WP-Council  
No. 140/06 Rev. 4
- As agreed at the last meeting, the Committee will review the statistical priorities of the Organization. A number of proposals relating to statistics are identified in submissions concerning the future of the Agreement (summarized in document WP-Council No. 140 Rev. 4).
- 10. New statistical software at the ICO – to note** verbal
